

FUJIFILM SONOSITE CANADA INC. STANDARD TERMS AND CONDITIONS OF SALE

PLEASE NOTE: If you are purchasing FUJIFILM SonoSite Canada Inc. products under a Provincial or Health Region agreement with FUJIFILM SonoSite Canada Inc., the terms of your Provincial/Health Region agreement, and not these Standard Terms and Conditions, will govern your purchase of FUJIFILM SonoSite Canada Inc. products.

These are the exclusive Terms and Conditions governing the sale of products listed on the Confidential Quotation attached hereto (the "Products") by FUJIFILM SonoSite Canada Inc., a wholly-owned subsidiary of FUJIFILM SonoSite, Inc. ("FFSS (Canada)") to the customer identified on Page 1 of the attached Confidential Quotation ("Customer"). These Terms and Conditions and the Confidential Quotation attached hereto (together, the "Agreement") set forth the entire contract between the parties and supersedes all prior understandings or agreements of FFSS (Canada) and Customer with regard to the purchase and sale of the Products. FFSS (Canada) will not be bound by, and specifically objects to, any term, condition, or other provision that is different from or in addition to the provisions of this Agreement (whether or not it would materially alter this Agreement) that Customer proffers in any purchase order, receipt, acceptance, confirmation, correspondence, or other document that Customer proffers as an acceptance of this Agreement, unless FFSS (Canada) specifically agrees to such provision in a written instrument signed by FFSS (Canada).

1. Acceptance, Performance and Credit Approval. FFSS (Canada) will deliver to Customer, and Customer will accept and pay for, all Products ordered by Customer pursuant to an order that has been accepted by FFSS (Canada). All orders are subject to acceptance by FFSS (Canada) either in writing or by shipping Products. FFSS (Canada) may accept any order in whole or in part and FFSS (Canada)'s shipment of less than all Products ordered will constitute acceptance only as to those Products shipped. A condition of FFSS (Canada)'s obligation to deliver the Products is its approval of Customer's credit and payment arrangements.

2. Firm Order. Customer may cancel any Product order or modify it by reducing the quantity of Products ordered, prior to Product shipment, without additional charge. In the event of any cancellation or modification of an order within thirty (30) days after shipment of Products has occurred, FFSS (Canada) may charge Customer a restocking fee equal to twenty five percent (25%) of the amount otherwise payable under the Agreement for the affected excess Products. Product orders may not be cancelled or modified more than thirty (30) days after shipment to Customer.

3. Delivery. FFSS (Canada) will use reasonable efforts to meet any delivery date specified in the orders, but will not be liable for any failure to meet such dates. Unless otherwise specified in this Agreement, FFSS (Canada) will deliver the Products FOB Destination to the address listed on the order. Title to and the risk of loss, damage or casualty to the Products transfers to Customer at the time the Products are delivered to the shipping address designated by Customer. Customer is responsible for all transportation costs (including, but not limited to, shipping charges, premiums for freight insurance, inspection fees, customs, duties, import or export fees, assessments, and all other costs incurred in transporting the Products to the shipping destination) and will be responsible for any claims against the carrier arising from or relating to shipment.

4. Prices. Unless otherwise provided by FFSS (Canada) in writing, all prices are stated in Canadian dollars. Unless specified otherwise in this Agreement, the purchase prices, charges, and other amounts payable by Customer for the Products will be as specified by FFSS (Canada) in its then-current standard price list.

5. Taxes. The prices described in paragraph 4 do not include any sales, use, value-added, withholding or similar taxes. Customer will pay or reimburse FFSS (Canada) for all taxes or other amounts payable to governmental authorities in connection with the applicable transactions (other than FFSS (Canada)'s net income taxes), or will

provide FFSS (Canada) with an exemption certificate satisfactory to FFSS (Canada).

6. Payment. FFSS (Canada) will issue invoices for all amounts payable under this Agreement. If FFSS (Canada) approves extending credit to Customer, Customer will pay the amount set forth on FFSS (Canada)'s invoice within thirty (30) days from the date of such invoice or any alternative time period agreed to on the Confidential Quotation form. If Customer's credit rating is not satisfactory to FFSS (Canada), FFSS (Canada) may require shorter payment terms or payment in advance. Any amount not paid within the foregoing thirty (30) day period, or such other time period specified on the Confidential Quotation form, will be subject to a finance charge equal to 1.5% per month (equivalent to 18% per annum) or the highest rate allowable by applicable law, whichever is the lesser, determined and compounded daily from the date due until the date paid both before and after judgment. Payment of such finance charges will not excuse or cure Customer's breach or default for late payment.

7. Trade-In Equipment. Customer agrees to return to FFSS (Canada), at the time of installation of the FFSS (Canada) equipment purchased under this Agreement (the "New Equipment"), any FFSS (Canada) equipment listed on this Agreement as being traded in (or "upgraded") by Customer and used to reduce the price of the New Equipment (the "Trade-In Equipment"). Customer shall give the Trade-In Equipment to the FFSS (Canada) representative who performs the installation of the New Equipment and the representative will provide Customer with a receipt for the Trade-In Equipment. In the event Customer does not return the Trade-In Equipment at the time of installation or by insured delivery within the 30 days following installation of the New Equipment, FFSS (Canada) may invoice Customer for the Trade-In Equipment in an amount equal to the value of the credits shown in this Agreement and Customer agrees to pay the amount of such invoice within 30 days of date of such invoice. Any amount not paid within that time period shall be subject to the finance charge specified in Section 6. Customer must provide all Trade-In Equipment to FFSS (Canada) in good working condition, reasonable wear and tear excepted.

8. Service Replacements and Loaner Equipment. FFSS (Canada) may provide replacement and/or loaner equipment as a result of service events; such replacement and/or loaner equipment remains at all times property of FFSS (Canada) and must be returned by Customer to FFSS (Canada) promptly upon Customer's receipt of repaired equipment.

Customer shall not transfer the care or custody of the replacement and/or loaner equipment or otherwise encumber FFSS (Canada)'s ownership rights therein. While in possession of the replacement and/or loaner equipment, Customer is solely responsible for its proper care, and shall be liable for any loss or damage, normal wear and tear excepted.

Replacement and/or loaner equipment will be returned by Customer immediately upon Customer's receipt of repaired equipment. Failure to do so may result in reporting of the applicable value of the retained replacement and/or loaner equipment to government agencies under federal and state laws. Failure to ship the replacement and/or loaner equipment to FFSS (Canada) within 21 days of Customer's receipt of its own repaired equipment may result in invoicing of customer for the fair market value of any loaned or replaced equipment. As a result of invoicing, Customer's account may be placed on hold until the issue is resolved. Customer acknowledges and agrees that any shipment delays due to unpaid customer invoices, including those for unreturned equipment, shall not be deemed a violation of the warranty.

9. Express Warranty and Disclaimer of Other Warranties. FFSS (Canada)'s exclusive warranties for the Products are contained in the attached Warranty Schedule, which forms an integral part of this Agreement. **FFSS (CANADA) MAKES NO OTHER REPRESENTATION, WARRANTY OR PROMISE OF ANY KIND, WHETHER EXPRESS OR IMPLIED, REGARDING THE PRODUCTS (OR ANY SPARE OR COMPONENT PARTS, ACCESSORIES OR OTHER SERVICES SUPPLIED BY FFSS (CANADA) HEREUNDER). FFSS (CANADA) DISCLAIMS AND EXCLUDES ANY WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WARRANTY OF NONINFRINGEMENT, OR WARRANTY OR CONDITION ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, USAGE OR TRADE, STATEMENTS OF FFSS (CANADA) REPRESENTATIVES, OR SAMPLES PREVIOUSLY SUPPLIED.**

10. Exclusive Remedy and Release of Other Liabilities. In the event of any breach of the foregoing warranties, Customer shall follow the procedure specified below under FFSS (CANADA), and FFSS (Canada) will provide the remedy specified in the Schedule. **THIS REMEDY SHALL BE THE EXCLUSIVE AND SOLE REMEDY OF CUSTOMER FOR ANY BREACH OF WARRANTY.** The warranties, obligations and liabilities of FFSS (Canada) and the remedies of Customer set forth in this Agreement are exclusive and in substitution for, and except as provided for in Section 10 (Indemnification), **CUSTOMER HEREBY WAIVES, DISCLAIMS AND RELEASES ALL OTHER WARRANTIES, OBLIGATIONS AND LIABILITIES OF FFSS (CANADA) AND ALL OTHER RIGHTS, CLAIMS AND REMEDIES OF CUSTOMER AGAINST FFSS (CANADA),** express or implied, arising by law or otherwise, with respect to the Products and any other goods or services delivered under this Agreement including, without limitation, any obligation, liability, right, claim or remedy in tort (including claims for FFSS (Canada)'s own negligence or strict liability) or for infringement.

11. Indemnification. FFSS (Canada) will defend and indemnify Customer from and against (a) any third party claim for bodily injury (including death) or damage to tangible property to the extent caused by a defect in the design or manufacture of the Products or (b) any third party claim arising out of any infringement by the Product of any patent arising under the laws of Canada, provided that Customer: gives FFSS (Canada) prompt written notice of the claim; allows FFSS (Canada) to control the defense and settlement of the claim; assists and cooperates with FFSS (Canada) in connection with the defense and settlement of the claim; complies with any court order or settlement made in connection with the claim (e.g., as to future use of

any infringing Product); and does not settle the claim without FFSS (Canada)'s prior written consent. This paragraph will not apply to (i) any claim to the extent such claim arises out of the negligence or willful misconduct of Customer; (ii) any claim to the extent it results from any use of the Product in connection with any equipment or other items not furnished by FFSS (Canada), (iii) any claim arising from any use not in conformity with applicable instructions and manuals, and (iv) any claim arising out of or relating to Products manufactured by third party suppliers which do not carry the FFSS (Canada) label, even if such products are sold by FFSS (Canada).

12. Excused Performance. FFSS (Canada) will not be responsible for or be considered to be in breach of or default under this Agreement on account of any cause or event beyond FFSS (Canada)'s reasonable control (including, but not limited to, FFSS (Canada)'s inability, after due and timely diligence, to procure materials, parts, equipment or services).

13. Limitations of Liability. FFSS (CANADA) WILL NOT IN ANY EVENT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGE OR LOSS OF REVENUE, LOSS OF BUSINESS OR OTHER FINANCIAL LOSS, ARISING OUT OF OR IN CONNECTION WITH ANY PRODUCT OR OTHER GOODS OR SERVICES FURNISHED UNDER THIS AGREEMENT. FFSS (Canada)'s liability (whether in contract, tort or otherwise, and notwithstanding any fault, negligence, strict liability or product liability of FFSS (Canada)) with regard to any product or other goods or services furnished under this Agreement will not exceed the lesser of (a) \$500,000 or (b) three (3) times the purchase price paid by Customer to FFSS (Canada) for the same.

14. Embedded Software and Videos. FFSS (Canada) or its affiliated companies retains title to all software and computer programs embedded in any Product. FFSS (Canada) grants to Customer a non-transferable license to use the software and programs on the condition that (a) Customer will use such software only in accordance with applicable instructions and manuals furnished by FFSS (Canada) and will not copy, modify, make any derivative work based upon, publish or distribute any such software, (b) Customer will use such software only as installed in the Product, and will not transfer it to another product or device to run it, and (c) Customer will not, and will not authorize third parties to, decompile, reverse engineer, or apply any process to derive the source code or extract the object code of the software. The same terms and conditions set forth in this section with respect to software shall also apply to the Visual Guide Series videos that are embedded in the X-Porte Product.

15. Stand-Alone Software. FFSS (Canada) or its affiliated companies retains title to all software that is furnished on a separate medium (whether electronic or physical) from a Product ("Stand-Alone Software"). Customer's use of the Stand-Alone Software is governed by separate license terms that accompany such software, and Customer agrees to be bound by such terms. Upon request, FFSS (Canada) will provide applicable licensing terms in advance of Customer's order or receipt of the Stand-Alone Software.

16. Intellectual Property Rights. The Products involve valuable patent, copyright, trademark, trade secret and other intellectual property rights of FFSS (Canada). FFSS (Canada) reserves all such rights. No title to or ownership of any intellectual property rights related to any Product is transferred to Customer pursuant to this Agreement. Customer will not attempt to reverse engineer any Product or component thereof (including any software) or to otherwise misappropriate, circumvent or violate any of FFSS (Canada)'s intellectual property rights.

17. Confidential Information. FFSS (Canada) may disclose to Customer certain trade secret, proprietary or confidential information ("Confidential Information"). Except as otherwise authorized by FFSS (Canada) in writing, Customer will use such Confidential Information only for the purposes for which it is disclosed by FFSS (Canada), will not disclose it to any third party and will take appropriate steps to protect it from any unauthorized use or disclosure; provided that, upon or promptly after disclosure by FFSS (Canada), the information is marked or otherwise identified as trade secret, proprietary or confidential or the Customer otherwise knows or has reason to know that the same is trade secret, proprietary or confidential.

18. Pre-Owned/Remanufactured Products. For identified pre-owned/remanufactured Products, those Products have been previously owned and used; they are not new. When delivered to Customer, the Products may have received mechanical, electrical and/or cosmetic reconditioning, as necessary, and the warranty terms for those Products will be governed by the applicable Warranty Schedule set forth below.

19. Authorized Users. The Products purchased by Customer may only be used by or on the order of a licensed practitioner authorized to prescribe or administer medical ultrasound or impedance cardiography procedures.

20. Nonwaiver. Any failure by FFSS (Canada) to insist upon or enforce performance by Customer of any of the provisions of this Agreement or to exercise any right or remedy under this Agreement or applicable law will not be construed as a waiver or relinquishment to any extent of FFSS (Canada)'s right to assert or rely upon any such provision, right or remedy in that or any other instance.

21. Assignment. This Agreement will inure to the benefit of and be binding upon the parties and their respective successors, assigns and legal representatives.

22. Severability of Unenforceable Provisions. If any provision of this Agreement is found to be invalid or unenforceable, then the remainder shall have full force and effect, and the invalid provision shall be partially enforced to the maximum extent permitted by law to effectuate the purpose of the Agreement.

23. Applicable Law. This Agreement will be governed by and interpreted, construed, and enforced in all respects in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein, without reference to its choice of law principles. The provisions of the International Sale of Goods Act (Ontario) and the U.N. Convention on Contracts for the International Sale of Goods will not apply to this Agreement. Customer consents to the personal jurisdiction and venue of the federal and provincial courts located within Ontario regarding any suit, proceeding or claim arising out of or related to this Agreement or its subject matter and will not commence or prosecute any such claim, suit or proceeding other than in such courts.

24. Amendment. No amendment, modification, or waiver of this Agreement will be valid unless set forth in a written instrument signed by the party to be bound.

25. Export Control. By accepting this Agreement Customer confirms that Customer is not located in (or a national resident of) any country under Canadian or U.S. Economic embargo or sanction, not identified on any U.S. Department of Commerce Denied Persons List, Entity List of proliferation concern or Canadian equivalent, on the US State Department Debarred Parties List or Treasury Department Designated

Customers should refer to the product instruction manual or contact Technical Support for details to perform a Power Zero Reset. Notwithstanding the foregoing, FFSS will perform a Power Zero Reset upon receipt of such system, and is not responsible for any loss of stored data that may occur while Covered Products are being repaired.
- (4) FFSS may provide replacement and/or loaner equipment as a result of service events; such replacement and/or loaner equipment remains at all times property of FFSS and must be returned by Customer to FFSS promptly upon Customer's receipt of repaired equipment. Customer shall not transfer the care or custody of the replacement and/or loaner equipment or otherwise encumber FFSS' ownership rights therein. While in possession of the replacement and/or loaner equipment, Customer is solely responsible for its proper care, and shall be liable for any loss or damage, normal wear and tear excepted. Replacement and/or loaner equipment will be returned by Customer immediately upon Customer's receipt of repaired equipment. Failure to do so may result in reporting of the applicable value of the retained replacement and/or loaner equipment to government agencies under federal and state laws. Failure to ship the replacement and/or loaner equipment to FFSS within twenty-one (21) days of Customer's receipt of its own repaired equipment may result in invoicing of Customer for the fair market value of the loaned or replaced equipment. As a result of invoicing, Customer's account may be placed on hold until the issue is resolved. Customer acknowledges and agrees that any shipment delays due to unpaid customer invoices, including those for unreturned equipment, shall not be deemed a warranty violation.
