As a condition of the use of the System by Customer, Customer hereby represents and warrants that it shall not use the System for any purpose that is unlawful or otherwise prohibited by this Agreement and shall abide by all applicable laws and regulations in Customer's use of the Software.

#### 4. TERM AND TERMINATION:

(a) This Agreement shall commence on the Effective Date and shall continue in full force and effect until terminated pursuant to the terms hereof.

(b) Either party may terminate this Agreement at any time if the other party is in default of any material provision of this Agreement and fails to cure such default within 30 days after being notified of such default in writing. Upon termination, all of Customer's rights to use the System, including the Software, Documentation and any hardware for which Customer has not paid in full, shall cease, and Customer shall destroy or return to HCUS, at HCUS's election, all copies of the Software and Documentation in Customer's possession, including any and all archival copies. Upon any such termination, Customer shall have the option to pay in full any outstanding amounts owed to HCUS with respect to any hardware (whether Hardware, Third Party Products or Pass-Thru Products) purchased pursuant to the Configuration Quote, at which time title to such hardware shall pass to Customer free and clear of any security interest.

(c) Any obligation to pay fees incurred under Section 7 prior to such termination, and the provisions of Section 2 (except in the case of Customer's default) and Sections 9, 10, 11, 12, 17 and 20, and any other provision of this Agreement that by its terms shall be deemed to so survive, shall survive termination of the Agreement for any reason.

#### 5. ACCEPTANCE:

Beginning immediately following HCUS's notification to Customer that the System or components thereof are installed and available for testing, Customer shall conduct acceptance testing to confirm that the System or such components perform in material and substantial compliance with the Documentation. Such acceptance testing will be conducted over a period not to exceed 30 days. If Customer's tests indicate that the System or such components do not operate in material and substantial accordance with the Documentation, Customer will promptly notify HCUS in writing, setting forth in sufficient detail such non-conformity ("Non-Conformity"). Customer shall immediately provide HCUS unencumbered access to the System or components (on a 24-hour per day basis) and a reasonable time to bring the System or such components into compliance. Immediately following HCUS's completion of any necessary corrections, the remainder (or three days, whichever is greater) of the acceptance testing period will commence as provided above.

The System or such components will be deemed accepted by Customer ("Acceptance") upon the occurrence of the first of the following: (i) the expiration of the acceptance testing period set forth above without an uncured notice of Non-Conformity; or (ii) First Clinical Use.

Upon Acceptance, all remaining payments for the System or components thereof will become due as set forth in the Configuration Quote, or as otherwise provided therein.

Customer shall be responsible for any equipment performance evaluations, testing or certifications of the Hardware or other equipment (collectively, "Certifications") that may be required or directed by any governmental authority. In the event that HCUS is required to perform or obtain such Certification, Customer agrees to reimburse HCUS's reasonable costs with respect thereto, including travel, employee costs, and third-party (e.g., licensed medical physicist) costs.

#### 6. FORCE MAJEURE:

Except for Customer's payment obligations hereunder, the performance by either party of its obligations under this Agreement shall be suspended for a period that is reasonable under the circumstances if such failure or delay is caused by circumstances beyond its reasonable control including, but not limited to, acts of God, acts of terrorism, acts of civil or military authority, fires, strikes, floods, quarantine restrictions, war, riot or delays in transportation (each such event, a "Force Majeure"). The party wishing to claim relief by reason of Force Majeure shall promptly notify the other party in writing of such event and the cessation thereof. In the event of Force Majeure, the parties shall continue to perform all obligations not affected by such Force Majeure.

7. PAYMENT; INCREMENTAL LICENSE AND MAINTENANCE FEES:

(a) All payment obligations are due and payable within 15 days of the date of invoice and are due in United States dollars. Late payments will bear interest at the lower of 1.5% per month or the maximum rate allowed by law, except as otherwise provided in the Configuration Quote. HCUS may suspend Maintenance Services and/or Services (as defined in Schedule A) if payments for the same are overdue. Customer agrees to pay, in addition to hourly fees, reasonable expenses (including travel and lodging), and sales, use or similar taxes, including without limitation value added or goods and services taxes. No receipts will be provided for expenses under \$25. If the aggregate amount of this invoice exceeds \$10,000, HCUS cannot accept the payment of such amount (either in whole or in part) by credit card, p-card or any other charge card.

(b) HCUS's Synapse PACS, RIS and VNA Systems are licensed on a volume basis based on annual Study volume. If Customer is a Synapse PACS, RIS or VNA customer, whenever Customer's annual Study volume exceeds the number of licensed Studies paid for by Customer by 1,000 Studies or more, HCUS shall invoice Customer, and Customer agrees to pay, incremental annual license fees per 1,000 additional studies, and incremental annual Maintenance Services fees per 1,000 additional studies, in the amounts set forth on the most recent Configuration Quote that is not more than five years old (or if more than five years old, or if no amount is stated thereon, in the amounts set forth on HCUS's price lists as the same may be updated from time to time).

(c) HCUS's Synapse CV and 3D Systems are licensed on a concurrent user basis based on a maximum number of concurrent users. If Customer is a Synapse CV and/or 3D customer, whenever Customer's total of concurrent users exceeds the number of licensed concurrent users paid for by Customer by more than 10% three or more times in a calendar quarter, HCUS shall have the right to invoice Customer, and Customer agrees to pay, incremental license fees and incremental annual Maintenance Services fees, in the amounts set forth on the most recent Configuration Quote that is not more than five years old (or if more than five years old, or if no amount is stated thereon, in the amounts set forth on HCUS's price lists as the same may be updated from time to time).

8. DELIVERY OF TITLE; RISK OF LOSS:

(a) In the event the System, or any component thereof, is held in storage for Customer by HCUS due to Customer's delay, Customer shall assume all risk and expense of such storage and shall accept delivery of such System, when shipped, in the same configuration as stored.

(b) HCUS shall retain title and purchase money security interest in, and the right to possession of, the System until all payments due pursuant to the Configuration Quote shall have been made in full in United States dollars. Customer agrees to do all acts necessary to perfect and maintain such purchase money security interest and right by HCUS, and hereby authorizes HCUS to execute any necessary Uniform Commercial Code filings on its behalf until all payments for the System have been paid in full.

9. CLINICAL USE OF THE PRODUCTS:

Customer acknowledges and agrees that HCUS is not engaged in the practice of medicine, and is not determining appropriate medical use of the Software or other components comprising the System. All patient care decisions, including those arising from the analysis of images, are the responsibility of Customer. Customer shall defend, indemnify and hold harmless HCUS, its officers, directors, agents and employees, from and against all claims, actions, proceedings, damages, losses, liabilities and expenses, including reasonable attorneys' fees, arising from any claim of malpractice, misdiagnosis or any other medical treatment matter in connection with the use of the System or any components thereof by Customer or Customer's users, agents or contractors.

10. LIMITED WARRANTIES AND DISCLAIMERS:

(a) HCUS warrants that the Software or components thereof (excluding Updates for purposes of this Section 10) will perform substantially in accordance with the Documentation for a period of 90 days from the date that installation is completed, and the Hardware will perform substantially in accordance with the Documentation for a period of one year from the date that installation is completed. Should any failure to conform to these warranties occur during such respective periods, upon prompt written notice of the specific non-conformity from Customer, HCUS shall take one of the following actions, in its sole discretion and without cost to Customer: (i) repair such defective product; (ii) replace the defective product with a product of similar kind and quantity; or (iii) refund the purchase price of the defective product. HCUS does not warrant that: (w) the System will meet Customer's requirements; (x) the Software or the Hardware will operate in combination with any Third Party Product or Pass Thru Product or other hardware, software, systems or data not provided by HCUS, except

as expressly set forth in the Documentation; (y) the operation of the Software will be uninterrupted or error-free; or (z) all Software errors are correctable. If delivery or installation of the System or components thereof is delayed due to the fault of Customer, the warranty set forth in this Section 10(a) shall commence upon the originally scheduled installation date.

(b) The warranty set forth in Section 10(a) will not apply if: (i) either the Software or the Hardware is not used in accordance with this Agreement or the Documentation; (ii) either the Software or the Hardware, or any part thereof, has been modified by any entity other than HCUS; or (iii) a malfunction in the Software or the Hardware has been caused by any of Customer's equipment or any products not acquired by Customer under the Configuration Quote.

(c) HCUS warrants that Maintenance Services and Services, as defined in Schedule A, shall be performed in a professional and workmanlike manner. For any breach of this service warranty, Customer's sole and exclusive remedy, and HCUS's entire liability therefor, shall be the re-performance of the non-conforming service. HCUS shall not be liable for any such breach of warranty unless Customer provides written notice of such breach to HCUS within 30 days of the performance of the services giving rise to such claim.

(d) With respect to Third Party Products and Pass-Thru Products, Customer shall have the benefit of any third party warranties, service agreements and indemnities available to users of a System that includes such Third Party Products or Pass-Thru Products, as the case may be; provided, however, that Customer's sole remedy for breach of any such warranty, indemnification, service agreement or other rights shall be against the third party offering such rights and not against HCUS.

(e) PARAGRAPHS A, C and D ABOVE COMPRISE THE SOLE AND EXCLUSIVE REMEDIES TO WHICH CUSTOMER IS ENTITLED FOR BREACH OF WARRANTY. EXCEPT FOR WARRANTIES, IF ANY, CONTAINED IN THE DOCUMENTATION RELATING TO THE PERFORMANCE OF THE SYSTEM, THE SYSTEM AND SERVICES ARE PROVIDED WITHOUT ANY OTHER WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT, SECURITY, SYSTEM INTEGRATION OR ACCURACY, OR INFORMATIONAL CONTENT AND NONINFRINGEMENT. HCUS's WARRANTY DOES NOT APPLY TO THIRD PARTY PRODUCTS OR PASS-THRU PRODUCTS, IF ANY, INCLUDED IN ANY CONFIGURATION QUOTE, INVOICE OR OTHER AUTHORIZED HCUS PURCHASE ORDER AND HCUS SHALL HAVE NO OBLIGATION OR LIABILITY WHATSOEVER TO CUSTOMER WITH RESPECT TO SUCH THIRD PARTY PRODUCTS OR PASS-THRU PRODUCTS.

(f) HCUS acknowledges and warrants that, as of the Effective Date, HCUS is not currently, and has not been in the past, excluded, suspended or debarred from participating in any government contracting program, including without limitation the Medicare and Medicaid programs. Customer shall have the right to cancel this Agreement immediately and without opportunity to cure upon notification from HCUS that it is excluded, suspended or debarred from participating in any material government contracting program, including without limitation the Medicare and Medicaid programs. This Section 10(f) states the entire liability of HCUS and Customer's exclusive remedy in the event HCUS is excluded, suspended or debarred from participating in a material government program, including without limitation the Medicare and Medicaid programs.

#### 11. LIMITATION OF LIABILITY; INSURANCE:

(a) WAIVER AND DISCLAIMER OF CONSEQUENTIAL DAMAGES. HCUS AND ITS LICENSORS SHALL NOT BE LIABLE TO CUSTOMER FOR SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING BUT NOT LIMITED TO LOSS OF REVENUE OR PROFITS, FAILURE TO REALIZE SAVINGS OR OTHER BENEFITS, LOSS OF OR DAMAGE TO DATA, RECORDS OR PROGRAMMING, AND CLAIMS AGAINST CUSTOMER BY THIRD PERSONS) ARISING FROM OR RELATING TO THIS AGREEMENT OR A BREACH THEREOF OR ANY ORDER PLACED HEREUNDER, WHETHER BASED IN CONTRACT, TORT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, BREACH OF STATUTORY DUTY OR OTHER THEORY, EVEN IF HCUS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) MAXIMUM DAMAGES. Except with respect to the indemnity provided in Section 12, the liability of HCUS and its licensors, if any, and Customer's sole and exclusive remedy for damages for any claim of any kind whatsoever with respect to this Agreement shall not be greater than the purchase price paid by Customer for the components of the System with respect to which such claim is made or, in the event of a claim made with respect to any obligation, service or otherwise, of HCUS pursuant to this Agreement, shall not be greater than the amount paid by Customer for the applicable annual fee for such obligation giving rise to such claim.

(c) HCUS shall not be responsible for any costs, expenses or damages suffered or incurred by Customer, or for any claim, judgment or award against such Customer, or the defense thereof, arising out of any actions, assistance or

services of HCUS, its agents, employees, consultants or contractors hereunder, unless resulting from the willful misconduct or grossly negligent act of HCUS or such agents, employees, consultants or contractors.

(d) **Essential Purpose.** The limitation of liability and exclusion of certain damages stated herein shall apply regardless of the failure of the essential purpose of any remedy. The parties specifically acknowledge that these limitations of liability are reflected in the pricing.

(e) All claims against HCUS or its licensors must be brought within one year after the cause of action arises.

(f) Customer agrees to maintain general comprehensive liability and property damage insurance, including contractual liability insurance, in reasonable amounts, not less than the purchase price of the System and, upon request of HCUS, Customer will provide HCUS with a certificate of insurance demonstrating such coverage.

## 12. INDEMNIFICATION:

(a) **BY HCUS.** HCUS shall indemnify and hold Customer harmless solely from any claim by a third party alleging that the use of the Software in accordance with this Agreement infringes any United States patent, copyright or trade secret of that third party, provided: (i) HCUS is promptly notified in writing of the claim; (ii) HCUS receives reasonable cooperation from Customer necessary to perform HCUS's obligations hereunder; and (iii) HCUS has sole control over the defense and all negotiations for a settlement or compromise. The foregoing obligation of HCUS is contingent upon proper use of the Software and adherence to the Documentation, and does not apply with respect to any Software or portions or components thereof: (A) not supplied by HCUS; (B) used in a manner not expressly authorized by this Agreement or the Documentation; (C) made in accordance with Customer's specifications; (D) modified by Customer, if the alleged infringement relates either to such modification or to the combination of the modification with the Software or portions or components thereof; (E) combined with any other products (hardware or software), processes or materials not provided by HCUS where the alleged infringement would not exist but for such combination; or (F) where Customer continues the allegedly infringing activity after being notified thereof and provided modifications that would have avoided the alleged infringement. HCUS makes no representation or warranty as to any copyrights or patents or other intellectual property rights that may be embodied in any third party software or hardware or involved in the services performed by HCUS.

(b) In the event the Software is finally determined by a court of competent jurisdiction to constitute an infringement or use of the Software is enjoined, HCUS shall, at its sole option, do one of the following: (i) procure for Customer the right to continue use of the Software; (ii) provide a modification to the Software so that its use becomes non-infringing; (iii) replace the Software with software that is substantially similar in functionality and performance; or (iv) if none of the foregoing alternatives is reasonably available to HCUS, HCUS shall remove the Software and refund the residual value of the license fee paid for such infringing Software, depreciated using a straight-line method of depreciation over a three-year period from the date of Acceptance. This Section 12 states HCUS's sole liability and Customer's exclusive remedy for infringement claims.

## 13. ADDITIONAL TERMS AND CONDITIONS:

The maintenance, installation, training and on-site services purchased by Customer are described in the Configuration Quote. The terms and conditions of such services are set forth on Schedule A.

HCUS and Customer agree to be bound by the terms of the Business Associate Agreement set forth in Schedule C hereto, which is incorporated herein. Customer's use of the System also may be subject to additional terms and conditions as set forth in Schedule B to the extent applicable.

## 14. ADVERTISING; USE OF INTELLECTUAL PROPERTY:

Customer grants HCUS permission to make written or oral reference to the transactions contemplated by this Agreement in its public advertising, proposals and similar public forums and media. Such advertising shall reference only the occurrence of the transactions as well as general technical information related to implementation of the System. Any additional releases of partnership or case studies of usage of the System may be made only upon written agreement of Customer. The parties agree that specific contractual terms and prices will be treated as confidential information pursuant to Section 17. Customer shall have no right to make any public written or oral reference to the transactions contemplated hereunder unless otherwise agreed to in writing between the parties.

Customer shall not register or use the trademarks or trade name of HCUS or its affiliates without the prior written consent of HCUS or such affiliate, as the case may be, and shall not contest or otherwise bring into question HCUS's or such affiliate's ownership thereof.

Neither party shall gain any rights of ownership in copyrights, patents or other intellectual property of the other party. Exclusive of the intellectual property provided by Customer and any proprietary Customer data, HCUS shall own all title, right and interest (including any copyrights, patents, trade secrets or other intellectual property rights) in and to the Software, Hardware and all tangible materials delivered hereunder as well as all other results of any services, including without limitation installation, workflow prescriptions, maintenance and training. Upon full payment to HCUS of all sums due for any such services, Customer is granted a non-exclusive, non-transferable license to use, for internal purposes only, any tangible material delivered by HCUS or other result of such services provided to Customer hereunder. Customer shall retain ownership rights to all data entered into the System by Customer, or pre-existing data migrated into the System on behalf of Customer by HCUS.

15. SYSTEM NOT FOR EXPORT:

The System, and its technology, is subject to United States export control laws and regulations. Customer agrees to comply with all such applicable laws and regulations, and further agrees not to knowingly transfer, directly or indirectly, any software, source code, object code, technology, technical assistance or technical data received hereunder to any restricted end user or restricted country without export license, re-export license or other applicable authorization from the appropriate United States government agency or agencies.

16. ASSIGNABILITY:

Customer shall not transfer or assign this Agreement or any of its rights or obligations hereunder to any third party without HCUS's prior written consent. Any transfer, assignment or delegation in violation of the foregoing shall be void and may be treated as a material breach of this Agreement.

17. CONFIDENTIALITY:

Each party acknowledges that Confidential Information (as defined herein) constitutes a valuable asset of the other party and that the Confidential Information is the sole and exclusive property of such disclosing party. The receiving party agrees to maintain in confidence Confidential Information of the disclosing party with at least the same degree of care with which the receiving party holds its own confidential and proprietary information, but at all times with no less than reasonable care. Neither party will, at any time during the term of this Agreement and for a period of three years after termination thereof, disclose Confidential Information of the other party to any person (except for affiliates of either party on a need-to-know basis) other than as required to perform its obligations under this Agreement. For purposes hereof, Confidential Information means confidential or other proprietary information of the disclosing party (including any information deemed confidential pursuant to the Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. §§ 1320d – 1320d-8, as amended from time to time, or such other information protected by law), including without limitation business plans, customer lists, information on product pricing and other terms of sale, technical data, trade secrets or know-how, including but not limited to research, product plans and specifications, products, services, investors, partners, distributors, markets, market studies, computer software and programs (including object code and source code), data, databases and database technologies, developments, inventions, processes, compilations, flowcharts, formulae, technology, sketches, designs, drawings, diagrams, manuals, schematics, samples, engineering, hardware configuration information, or marketing, finance or other business information disclosed to the receiving party, directly or indirectly, by the disclosing party if: (a) such information is marked with an appropriate confidential or proprietary legend in case of disclosure in written form or in any tangible form; or (b) such information is identified as confidential at the time of disclosure in oral form or in any intangible form and thereafter is summarized in a written memorandum by the disclosing party, which memorandum shall be provided to the receiving party no later than 30 days after the initial disclosure. For purposes hereof, Confidential Information shall include the terms and conditions of this Agreement. Confidential Information shall not include any information that the receiving party can demonstrate was: (i) in the possession or control of the receiving party prior to the time of disclosure hereunder; (ii) at the time of disclosure or thereafter becomes public knowledge through no fault of the receiving party; (iii) lawfully obtained by the receiving party from a third party that, to the knowledge of the receiving party, is not under any obligation of confidentiality to the disclosing party; (iv) developed independently by personnel of the receiving party who have not had access to Confidential Information; (v) approved for release by written authorization of the disclosing party; or (vi) required to be disclosed pursuant to, or as required by, law or legal process, provided that the receiving party shall advise the disclosing party of such request in time for the disclosing party to apply for legal protection.

Except as otherwise provided in this Section 17, all proprietary rights (including without limitation patent rights, copyrights and trade secrets) in and to Confidential Information shall remain the disclosing party's property. The receiving party shall not cause or permit the reverse engineering, reverse assembly or reverse compilation of any Confidential Information or include any Confidential Information in any patent or patent application.

Upon termination of this Agreement or at any time upon the disclosing party's written request, the receiving party will, at the election of the disclosing party, either return promptly to the disclosing party or destroy, with such destruction certified in writing by an authorized officer of the receiving party, all of Confidential Information, including all copies thereof.

18. REGULATORY COMPLIANCE:

HCUS will maintain the Software and the Hardware in compliance with all applicable federal, state and local regulations, rules and guidelines, as the same may be amended from time to time, that are applicable to medical device manufacturers. Any applicable federal, state or local requirement affecting the Software or Hardware will be released to Customer through Updates in advance of the effective date of such requirement.

Discounted pricing, if any, for the System or any component thereof must shall be fully and accurately reported by Customer on all claims for payment filed with third party payors, including applicable Medicare, Medicaid and state agency cost reports, in accordance with all applicable federal and state laws and applicable agreements. Customer should also retain a copy of the Configuration Quote and these terms and conditions, and communications regarding the Configuration Quote and these terms and condition, together with the invoices for the purchase and permit agents of the U.S. Department of Health and Human Services ("HHS") or any state agency access to such records upon request.

19. ACCESS TO BOOKS AND RECORDS:

To the extent Section 952 of the Omnibus Reconciliation Act of 1980 (Public Law 96-499), as the same may be amended, is found applicable to this Agreement and the value or cost of services rendered hereunder exceeds \$10,000 or more over a 12-month period, then until the expiration of four years after furnishing of services pursuant to this Agreement, HCUS agrees to make available upon written request by the Secretary of HHS (the "Secretary"), or upon request by the Comptroller General of the United States (the "Comptroller"), or to any of their duly authorized representatives, this Agreement and books and records of HCUS that are necessary to certify the extent of any costs of Customer arising from the Agreement, or such other information as otherwise required by law. Further, if HCUS performs any of its duties under this Agreement through a subcontract with a related organization, the value or cost of which is \$10,000 or more over a 12-month period, such subcontract shall provide that until the expiration of four years after furnishing such service pursuant to such subcontract, the related organization shall likewise make available upon written request by the Secretary or the Comptroller or their duly authorized representatives, subcontracts and the books, records and other information described in the preceding sentence.

20. GENERAL:

(a) Taxes:

Customer is responsible for the payment of all sales, use, excise and similar taxes. The amount of any applicable sales, excise and other similar taxes shall be added to the price and shall be paid by Customer, whether or not invoiced. Customer will provide HCUS with such evidence as HCUS may reasonably request to establish that such taxes have been paid. If applicable, Customer may provide HCUS with an exemption certificate acceptable to the relevant taxing authorities.

Any taxes (other than income taxes) that HCUS may be required to pay to, or collect and remit to, any governmental unit under any existing or future law upon or with respect to the sale, delivery, installation, storage, use or consumption of the System, any component thereof or any services provided hereunder by HCUS are payable by Customer. If HCUS is or becomes liable for or pays any such taxes or any related interest or penalty charges, Customer agrees to pay same to HCUS upon demand.

(b) Interpretation; Jurisdiction:

This Agreement (and any claims arising under or relating in any way thereto), shall be governed in all respects, including without limitation as to validity, interpretation and effect, by the laws of the state of New York, without regard to its conflict of laws principles. The parties irrevocably submit to the exclusive jurisdiction and venue of the state and federal district courts located in New York, New York for the resolution of any disputes relating to or arising under this Agreement. The United Nations Convention on Contracts for the International Sale of Goods, Sections 2-711 through 2-717 of the Uniform Commercial Code and the Uniform Computer Information Transactions Act are specifically excluded from application to this Agreement.

(c) **Waiver of Jury Trial:**

Each party waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding arising out of or relating to this Agreement or the transaction(s) contemplated hereby. Each party (i) certifies that no representative, agent or attorney of either party has represented, expressly or otherwise, that such other party would not, in the event of such a suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that the parties have been induced to enter into this transaction by, among other things, the mutual waiver and certification set forth in this section.

(d) **Severability:**

In the event any provision of this Agreement shall for any reason be held to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall be unimpaired and such invalid, illegal or unenforceable provision shall be replaced by a provision that, being valid, legal and enforceable, comes closest to the original intention of the parties.

(e) **Waiver:**

Any forbearance, failure or delay by HCUS in exercising any right, power or remedy hereunder shall not preclude the further exercise thereof. Every right, power and remedy of HCUS shall continue in full force and effect until an instrument in writing executed by HCUS specifically waives such right, power or remedy.

(f) **Notice:**

Any notice required or permitted to be given under this Agreement shall be in writing and sent by hand delivery, by a recognized national or regional overnight courier service with all charges prepaid, by facsimile (with acknowledgement of complete transmission by courier) or by United States certified mail (return receipt requested), postage prepaid, to Customer at the address set forth on the cover page of this Agreement and to HCUS as stated below. Any notice given by mail as provided herein shall be conclusively deemed to have been received by a party hereto and be effective on the fifth business day after the day on which mailed. **SCHEDULE A**  
**FUJIFILM Healthcare Americas Corporation**  
**MAINTENANCE AND ON-SITE SERVICES TERMS AND CONDITIONS**

1. MAINTENANCE SERVICES:

(a) In consideration for the fees invoiced by HCUS and paid by Customer, HCUS shall provide the services set forth in this Schedule A ("Maintenance Services") for a term of one year from the original date of installation of the System or components thereof. Thereafter, Maintenance Services are invoiced annually on each anniversary of the date of installation. Upon payment by Customer of the annual Maintenance Services fee, such Maintenance Services are renewed for one year. HCUS may change the Maintenance Services offered at any time, effective as of the commencement of any renewal period. Customer acknowledges and agrees that should Customer terminate or decline to renew Maintenance Services and continue to use the Software component of the System, such continued use of the Software component of the System after the termination or non-renewal of the Maintenance Services shall be at Customer's sole and exclusive risk.

Maintenance Services shall not include: (i) services with respect to any modification made to a System other than by HCUS; (ii) necessary repairs caused by Customer's use of the System other than in accordance with the terms of this Agreement and the Documentation; (iii) normal deterioration of monitor luminance; (iv) damage caused by the negligence or willful misconduct of Customer's employees, agents, contractors or invitees or (v) service for Third Party or Pass Thru Products; (vi) remediation of a System infected by viruses or malware not caused by the Software (which remediation service may be provided by HCUS as an additional service only, at fees to be mutually agreed upon in writing and billed by HCUS as an additional charge); or (vii) On Site Service described in this Schedule A, Section 6.

(b) Maintenance Fees and Payment:

HCUS shall have the right to increase the fees for Maintenance Services set forth in the Configuration Quote starting with the second year of service. When ordered, Maintenance Services must be ordered for all Software and Hardware. In the event that coverage for Maintenance Services lapses as a result of either termination by Customer for any reason or by HCUS for Customer's non-payment, renewal of such service will require payment by Customer of a reinstatement fee to HCUS equal to one hundred twenty-five percent (125%) of the sum of the fees for any previously unpaid maintenance period(s) plus full payment for the subsequent annual period. Maintenance Services fees will be billed on an annual basis and are payable in advance.

2. 24x7x365 STANDARD TELEPHONE SUPPORT:

HCUS shall provide Customer with technical assistance by telephone upon installation and use of the Software and the Hardware. Telephone support is maintained through a centralized Technical Assistance Center ("TAC"), which is available 24 hours a day at 888-FUJI-MED (888) 385-4633, including weekends and holidays. Customer agrees to use commercially reasonable efforts to determine whether an issue with the System pertains to infrastructure, applications, or modality training prior to contacting HCUS.

3. REMOTE ACCESS AND MONITORING; BACK UP OF DATA:

Commencing upon installation and continuing through the term of the Agreement, HCUS shall have the right to access the System in order to perform Maintenance Services and monitor the System for audit purposes. Customer shall maintain a remote access method to the System in a manner mutually acceptable to the parties which shall be available at all times to HCUS. Any information disclosed to HCUS pursuant to such remote access shall be considered Confidential Information pursuant to Section 17 of the Agreement.

Throughout the term of this Agreement, Customer acknowledges and agrees that it will regularly back up all data and programs maintained on or used in conjunction with the System. HCUS shall have no liability for data loss, regardless of the cause.

4. HCUS MAINTENANCE OBLIGATIONS:

If HCUS is unable to resolve Customer's problem remotely or through the TAC, as set forth herein, HCUS shall dispatch an HCUS technician to provide remedial and preventive Maintenance Services at Customer's location set forth in the Configuration Quote.

(a) Scheduled Preventive Maintenance Services:

HCUS shall provide preventive maintenance for the System during the hours of 8:30 a.m. to 5:00 p.m. local time, Monday through Friday, excluding HCUS-recognized holidays ("Normal Business Hours"). Such maintenance shall include without limitation annual calibration and other actions that HCUS considers necessary to ensure proper operation of the System. Preventive maintenance may be performed concurrently during remedial maintenance service at HCUS's discretion.

(b) Remedial Maintenance:

HCUS will provide remedial maintenance during Normal Business Hours, in accordance with the level of coverage selected, necessary to repair the System upon Customer's request for service in the event such problem cannot be resolved through the TAC. HCUS shall make available remedial maintenance outside Normal Business Hours at HCUS's then current price for labor associated with such services.

(c) Replacement Parts:

When specified in the applicable Configuration Quote, HCUS shall provide all necessary replacement parts for Hardware in order to maintain the System at no additional cost to Customer; provided, however, that all glassware shall be charged at HCUS's then-current list price for such parts. All replaced parts shall be returned to HCUS and shall become the property of HCUS.

(d) Enhancements and Upgrades:

Provided enhancements do not require new or upgraded hardware or are listed as optional features in HCUS's price list, enhancements and upgrades provided by Third Party Product and Pass-Thru Product vendors are passed to HCUS's Maintenance Services customers. For purposes hereof, "enhancements" shall mean any additions to third-party software that allow for additional functionality. In the event of any enhancements that require new or upgraded hardware, the pricing and discounts for such hardware will be covered under a separate agreement.

(e) Retirement of Releases:

Maintenance Services are provided for each version of the Software commencing the date the version becomes generally available and continuing for a period of two years after such version is retired.

(f) Termination:

Customer may terminate Maintenance Service at the end of the term by giving written notice to HCUS at least thirty (30) days prior to the end of any annual term. HCUS may suspend or cancel Maintenance Service if Customer fails to make payment.

5. DOWNTIME:

(a) During each annual term of Maintenance Services, HCUS will track Downtime (as defined below) to assist in its diagnosis and maintenance of the System.

(b) "Downtime" shall mean each such period during which, due solely to the Software, Studies cannot be received from modalities or viewed on diagnostic workstations comprising the System. The calculation of Downtime begins when the TAC logs Customer's report of a System failure, provided that such calculation shall only be finalized to the extent that HCUS determines, in its sole discretion, that such Downtime was caused by the Software. Downtime will end when HCUS notifies Customer that the System is available to return to service.

(c) Notwithstanding the foregoing, Downtime shall not include System failure or unavailability determined by HCUS to be due to:

- Any Pass-Thru Product or other software or hardware installed or used by Customer in connection with the System;
- Failure of any Third Party Product that does not directly affect the Software;
- Errors, willful misconduct or negligence, or other unauthorized actions of Customer's employees, agents or invitees;
- Any repairs, replacement of parts or components, or other maintenance of the System performed by any party other than HCUS;
- Use by Customer of interfaces or devices not provided by HCUS in conjunction with the System;
- Misuse of the System, including without limitation any application or function of the System not contemplated by this Agreement or the Documentation;
- Any electrical failure external to the System that affects performance of the System;
- Any network failure external to the System that affects performance of the System;

- Damage caused by transport of the System by Customer or Customer's agents, other than in connection with ordinary use;
- Any event of Force Majeure;
- Viruses introduced into the System from a source other than the Software; or
- Unavailability to HCUS of remote access to the System, whether or not caused by Customer.

6. ON SITE SERVICE PROGRAM:

HCUS provides installation, implementation, project management and application training for HCUS products ("Services") at HCUS's then-current list price. Each request from Customer for Services to be provided by HCUS, and the obligations of each party with respect thereto, shall be detailed in a statement of work or such other mutually agreed-to document, including but not limited to HCUS's installation checklist (each, a "SOW"). Each such SOW shall be incorporated by reference into this Agreement.

(a) Any changes to a SOW must be reflected in writing in a new or amended SOW. Each revised SOW shall be incorporated by reference into this Agreement. HCUS is not obligated to do any work not specified in a SOW signed as set forth herein. Either party may terminate a SOW with or without cause at any time by giving the other party 30 days' prior written notice. Upon termination of the SOW, fees for the Services provided under it shall become due and payable.

(b) Customer agrees to provide all resources reasonably required by HCUS in order to implement the Services, including without limitation personnel, information and software and hardware computing and other facilities.

(c) Unless otherwise specified in writing, HCUS will install the System covered herein at the site set forth in the Configuration Quote after receipt of payment from Customer. Prior to installation of the System by HCUS, Customer shall prepare the installation site in an appropriate manner and shall cause such installation site to conform to any utility, climate control and communication interface specifications that HCUS and the manufacturer of the System and the components thereof may supply. Customer shall not remove the System from the installation site without the prior written consent of HCUS.

(d) Services include data migration services, at HCUS's then current list price. HCUS will provide data migration services to migrate the number of Studies from Customer's existing archive system to HCUS's System as detailed in the applicable SOW or other mutually agreed document. Customer is responsible for all fees that may be owed to third parties in connection with such migration. Customer acknowledges that there may be limitations on the quality of the migrated data due to problems with the content, information or data or with the archive upon which the data originally resided. The parties agree that First Clinical Use of the System shall not be contingent upon the performance or completion of data migration services referenced herein.

(e) If on-site training days are included the Configuration Quote, such training days may be utilized by Customer during the one-year period following equipment installation. After one-year from the date of installation, any remaining unused training days will be automatically converted into a one-year, fully-paid subscription to HCUS's virtual classroom.
