

FUJIFILM

Large Format Printing

PEARL PRO PAPER 290GSM

Product Description

FUJIFILM's Pearl Pro Paper has a premium level paper with a fast drying robust pearl surface which is resistant to scratching and marking making it very easy to handle in shop and lab environments. Thanks to its non-sensitive surface and its brilliant colour rendering, the PE paper is perfect for portrait and wedding photos, exhibitions and interior decorating as well as for pictures which are frequently handled

Surface Single side coated with matt ink receptive coating
