

# DX 400

## Quick Reference Guide

### Emptying the Scrap Paper Box

- 1** Check that the power light is lit.
- If the power light is flashing, the printer is operating. Wait until all operations have stopped.

- 2** Remove the scrap paper box.
- When the scrap paper box is removed, the status light lights.

- 3** Empty the scrap paper.
- Turn over the scrap paper box to throw away the scrap paper that has collected in the box.

- 4** Attach the scrap paper box.

- 5** Confirm that the status light is off.
