Creative Duplex Printer

CX 3240F

# Deliver personalised products on site to grow your business

The CX3240F is a compact printer that can print double-sided and without borders on a wide variety of media.

With up to five paper trays, it supports a wide range of personalised materials from a single device.

## 1 Supports Thick Paper and Irregular Paper\*1

Supports thick paper (up to 324g/m) and can print on different shapes, magnets, stickers etc.

## 2 Automatic Duplex Printing

Achieves automatic duplex printing in only 2.6 seconds\*2, with no trimming needed.

## 3 Borderless Printing

Print without borders up to A4, regardless of paper shape.

## 4 Automatic Tray Switching

Up to three additional trays can be added, allowing automatic switching of different sized media.

### Desk Calendar

Easily create desktop calendars by printing on curved or scalloped paper.

### Greeting Card

Create personalized cards instantly with custom names, messages, and photos for each recipient.

### Envelopes

Print on envelopes and kraft paper, allowing you to create custom packaging.

### Coaster

Turn memorable photos into coasters instantly.

### Sticker

Print custom labels, perfect for direct application to products.

### Magnet

Offer exclusive items on site for business or events.

### Personalized Cards, Made Instantly

Print heartfelt cards with custom names, messages, and photos for each recipient. Cut down on inventory by producing diverse designs from a single printer.

### Offer Exclusive Photo Items at Event Venues

Print directly on unique shaped paper without any post-processing. Create unique personalized products on the spot avoiding postage and delay.

\*1 Please check paper feed compatibility if using non-recommended paper.  
\*2 In case of A4 paper printing.
