THESE GENERAL TERMS AND CONDITIONS OF SALE FOR SYSTEMS SALES, TOGETHER WITH ANY ADDITIONAL TERMS WHICH MAY SEPARATELY BE MADE APPLICABLE IN WRITING BY FUJIFILM DIMATIX, INC. ("VENDOR"), GOVERN THE SALE BY VENDOR OF PRODUCTS ("PRODUCTS") AND/OR SERVICES ("SERVICES") IDENTIFIED ON THE ATTACHED QUOTE WHICH IS HEREBY INCORPORATED HEREIN IN ITS ENTIRETY. NOTWITHSTANDING ANY DIFFERENT, CONFLICTING OR ADDITIONAL TERMS OR CONDITIONS WHICH APPEAR ON ANY PURCHASE ORDER OR OTHER BUSINESS FORM SUBMITTED BY THE CUSTOMER THAT IDENTIFIED IN THE QUOTE (THE "BUYER"), SUCH DIFFERENT, CONFLICTING OR ADDITIONAL TERMS WILL NOT BECOME A PART OF THE CONTRACT BETWEEN VENDOR AND BUYER.

1. **FORMATION OF CONTRACT.** A contract for the sale of Products and/or Services will be formed only if and when purchase orders from Buyer are accepted by Vendor in writing, including by issuance of an invoice for Products and/or Services, or Vendor ships Products or undertakes performance of Services ordered.

2. **PRICES, SHIPPING, PACKAGING, CREDIT AND PAYMENT TERMS.** Prices are subject to change without notice. Vendor reserves the right to change specifications, package and/or design etc. as may be required.

Obligations of Vendor to perform hereunder are subject to the strict observance of Buyer of the credit or payment terms established by Vendor in its sole discretion. Vendor reserves the right to change its credit, payment and shipping terms upon advance notice to Buyer and may require payment in advance as a condition of shipment and/or performance of Services. Vendor reserves the right, among other remedies, to terminate this Contract, or any other sales contract with Buyer, or suspend deliveries to Buyer, or terminate or suspend performance of Services, in the event Buyer fails to pay for any payment when due.

Any claims for prices, trade allowances, cash discounts, sales and use taxes, or other benefits pertaining to this Contract must be submitted along with appropriate proof of performance within one (1) year from date of invoice.

Buyer shall conduct a check out procedure for each System referenced in the Quote at Vendor's location prior to shipment of the Products ("System Check Out") if called in the quote. Title to Products and risk of loss shall pass to Buyer when Products are delivered to carrier at the shipping point. Buyer shall defend and indemnify Vendor against any and all claims and liabilities (including third party claims) in any way related to Products and/or Services, including, without limitation, for personal injury and/or property damage, which arise after passage of title to Buyer, when such claims or liabilities arise out of, relate to, or are imposed by reason of, Buyer's negligence or willful acts.

Buyer agrees to act as the (i) Importer of Record for any incoming shipments of consumables, replacement parts or any other products shipped from Vendor to Buyer under this Contract into Buyer's country of origin; and (ii) the Exporter of Record for outgoing shipments for any defective or failed parts sent back to Vendor under this Contract from Buyer's country of origin. Buyer agrees to comply with all applicable import and export laws and pay all tariffs, duties, customs, fees, expenses and charges payable in connection with acting as the Importer of Record and Exporter of Record under this Contract.

3. **RETURNED GOODS.** Any Product returns must be authorized by Vendor and a Return Authorization (RA) form and RA number must be obtained from Vendor prior to the return. Buyer shall follow the proper cleaning/flushing procedures in accordance with the respective product manual, and ship all authorized returns, freight paid, F.O.B. destination as specified by Vendor. Returns shipped freight collect will not be accepted by Vendor. Returned goods may be subject to a restocking charge. Vendor will invoice or credit Buyer for appropriate adjustments resulting from returns, and Buyer may not make any deduction from invoiced amounts except upon receipt of such adjustments. Warranty excludes all costs of customs clearance and any other related charges. All replaced Products shall become the property of Vendor.

4. **TAXES, GOVERNMENT IMPOSITIONS AND SURCHARGES.** Buyer expressly acknowledges and agrees that the price of Products and/or Services does not include (i) any taxes which may apply to the sale or use of those Products and/or Services, including sales, use, privilege, excise or property taxes or tariffs relating to or affecting raw materials, spare or

component parts, or the Products or Services (collectively, "Taxes"); (ii) any applicable customs, duties, levies and similar impositions made by any governmental authority or agency relating to or affecting raw materials, spare or component parts, or the Products or Services (collectively, "Government Impositions"); and (iii) Surcharges (as defined below). Buyer is solely responsible for the payment of all such Taxes, Government Impositions and Surcharges, whether or not invoiced by Vendor and regardless of whether imposed prior to or after the acceptance of Buyer's purchase order by Vendor. Buyer acknowledges and agrees that Taxes, Government Impositions and Surcharges are not price increases. For purposes of this Section 4, "Surcharges" means surcharges implemented by Vendor and passed through to Buyer at any time in its sole discretion to offset Vendor's cost increases, including, without limitation, cost increases arising from supply chain shortages or energy, materials, logistics, labor and/or shipping charges.
